DEL CENTRO PLIEGO

The background of the page is a complex, abstract pattern of thin, green, hand-drawn lines. These lines form various organic shapes, including long, flowing, curved lines that sweep across the page, and smaller, more intricate shapes that resemble leaves or petals. The overall effect is a dense, textured, and somewhat chaotic pattern. A single, horizontal, red dashed line runs across the center of the page, intersecting the green lines. The text "LINEAS GUIAS DEL CENTRO PLIEGO" is centered on this red line.
